

REMARKS

The proposed claim amendments are made to correct multiple dependencies and to maintain antecedent basis throughout the claims. Support for the amended claims is found within the original claims and throughout the specification. No new matter has been added by these amendments. Applicants have also amended the specification at page 1 to include a "Related Applications" section.

If there are any questions regarding these amendments and remarks, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,

Date: June 24, 2004
